

# Tegn trommenoder

Jeres band mangler en trommeslager, og der er to trommeslagere der gerne vil være med i jeres band, så i beslutter jer for at lave en audition i næste uge.

De skal have noderne med hjem så de kan øve. Men kopimaskinen er gået i stykker.

Så du må tegne trommenoderne i hånden. Du behøver ikke tegne andet end noderne og pauserne.
