Lyric

You asked what if,
bliss is momentary;
don't be afraid sweetheart,
this isn't ordinary.

How do I know,
surely I can feel;
when you are away,
frisky time stands still.

It feels so right,
oh, so overdue;
can't help but I am,
falling into you.

We must persist,
bliss is overdue;
you can see I am,
now falling into you.
