Fa - ther a cloud - ed cloud - ed cloud - ed fa - ther a cloud - ed north - ern sky;

moth - er a troub - led south - ern sea; broth - er a smok - y west - ern fire; sis - ter a

mud - dy east - ern field; sis - ter a mud - dy east - ern field. Seeds of fire sleep

fire sleep fire sleep seeds of fire sleep in the field; seeds of sky sleep in the fire;

seeds of grain sleep in the sea; seeds of rain sleep in the sky; seeds of

rain sleep in the sky. Quar - ter the wheel to wheel to wheel to quar - ter the wheel to

make it go; quar - ter the earth to make it roll un - der your feet like a mov - ing

stair; climb so high you'll reach no - where; climb so high you'll reach no - where.

73  
Four is\_\_ two is two is two is four is\_\_ two is three is one; quar - ter the cit - y to

83  
make it done; quar - ter the car - cass to feed the\_\_ corpse; quar - ter the heart to

91  
feed the hearse; quar - ter the heart to feed the hearse.
